

CLERK OF THE COURSE CLINIC

January 30, 2017

WELCOME

- The goal of any competition volunteer or official is to contribute to a fair, safe and positive competitive environment
- The goal of this clinic is to:
 1. Continue to develop a foundation for your skills as a swimming official
 2. Provide you with an enhanced understanding of the rules of the clerk of the course
 3. Develop and understand for the role and key duties of the clerk of the course

PREFERRED PREREQUISITES

- A general interest in the sport of swimming
- An interest in the fair conduct of sport
- Practical experience as a timekeeper across a range of competitive levels

THE PROFICIENT SWIMMING OFFICIAL

The proficient swimming official is a judge of the competition, not the rules.

- The swimming rules must be followed. The official who has standards that differ from those set down in the rulebook may leave themselves open to having their decisions challenged by coaches and the referee.
- Following the rules puts a stake in the ground that tells everyone concerned with the competition that the decisions will be made in a fair and equitable manner against a known standard.
- The official's job is to uphold the rules by applying them equitably and communicating their interpretation effectively

THE PROFICIENT SWIMMING OFFICIAL

(cont'd)

- As an official, an individual must operate from a strong base. That base is made up of two factors – one is the authority of the rulebook and the other is the basic philosophy that the officials conduct the competition in accordance with the rules.
- Each time a rule and the purpose of that rule are explained, the rule becomes easier to accept. Rather than hiding behind the statement "It's the rule", an official should explain why there was a violation so the official does not appear to be arbitrary.
- While the rules of swimming are clear, their application may differ slightly based on the level of competition.

QUALITIES OF THE CLERK OF THE COURSE

- Attention to detail: to avoid mistakes and complete all tasks in allotted time under a certain amount of pressure (sometimes).
- Courteous: to work with a variety of people as a team and communicate effectively. Often the first contact at a competition for the coaches.
- Exact: to transfer appropriate and correct information.
- Efficient: to delegate tasks appropriately and avoid duplication of work.
- Methodical: to avoid omissions.
- Patient: to maintain a semblance of calm.

CLERK OF THE COURSE DUTIES

- Be organized and consistent in the information provided to coaches, swimmers and support staff.

 - The positive check-in is used to assure swimmers are present for an event. The penalty for not confirming one's presence by the deadline is stated in the meet information and/or technical bulletin.
 - The positive check-in is used for longer distance events and finals.
 - The positive check-in allows us to confirm that all finalists are present and we will most likely not need to call an alternate. It is also extremely useful when running B finals prior to A finals.
 - Generally the session heat sheet, check-in sheet or event entries are posted on the Clerk of the Course table where swimmer and/or coach are asked to initial or check that the swimmer is intending to swim.

 - When receiving scratches for a later session, file the scratch to be actioned in the "master" heat sheet at a quieter moment.
 - When receiving scratches for the whole competition be certain to treat those of the current session immediately.

RULE 2.4.2 IN ACTION

- Combining heats:
 - The Clerk of the Course may be asked by the referee to combine heats should there be sufficient numbers of scratches.
 - Combining heats can be risky and not necessarily save the expected time if all affected swimmers are not properly informed.
 - Generally events of 100m or less are not subjected to combining heats **as** the delays often outweigh the benefits.
 - Be certain appropriate officials are informed of all changes to the program. (referee, starter, timers, electronics, meet office)

ACTION REQUIRED

- Updated heat sheets:
 - Prior to the start of the competition it is important to allow time to update heat sheets for distribution to the referee(s), starter(s), electronics, chief finish judge and meet office.
 - The Clerk of the Course or meet office will print an updated heat sheet with scratches and deck entries being careful not to re-seed the competition.
 - Be certain that any updates which affect swimmers are posted clearly and that timers are aware of changes not to turn swimmers away from their lanes.

- Ensure you receive your briefing from the Referee prior to heading down to the pool deck.
- As Clerk of the Course it is imperative that you arrive prior to the start of warm-ups to be available to the coaches for registration, scratches, deck entries, conveying information to them concerning the running of the competition.
- Inform yourself as to the placement of the competition office and the official responsible for the meet entry information as you will need to communicate with them throughout the session.

 - Technical Bulletin: This will allow you to have any additional information concerning the competition that has been shared with coaches and officials.
 - List of entries per swimmer: Should a coach have a query or a scratch you will have the proper information.

BEFORE THE SESSION

- Obtain the required materials:
 - List of entries per event: This list will be important should there be time finals where the fastest heat goes directly to finals or should you be requested to follow scratches for the competition (generally national competitions where referees sign their heat sheets prior to publication).
 - Scratch forms: Some competitions may have a different form for preliminaries and finals.
 - Relay forms: to give to coaches to complete with relay names (form with the name of all eligible swimmers to facilitate declaring relay swimmers).

There may be someone completing these tasks prior to the start of the competition but these responsibilities may be shifted to the clerk of the course once the competition has started. Coaches will present themselves to the Clerk of the Course on deck as this seems to be the “central information desk”

BEFORE THE SESSION

- Obtain information concerning the session from the referee(s):
 - Cards, lane sheets or heat sheets to timers
 - Starting end
 - Scratch deadlines
 - Relay information and applicable deadlines
 - 800m/1500m events

 - Swimmers may be marshalled at development level meets. They are lined up by heat and sent to their lanes at the appropriate times.
 - Swimmers are marshaled in a call room at higher level competitions where their swim suits are identified and they are checked for advertisement etc. They are then marched on for their event.

DURING THE SESSION

- Awards:
 - As Clerk of the Course you may be asked to distribute awards. Coaches and swimmers may also ask you where the awards are being distributed.

DURING THE SESSION
